

The following rule should be initiated for the second day of a two-day game where no play is possible on the first day due to no fault of either team (rain, covid)

75 Over games

The tea break should be extended by 5 minutes to 3.05pm to allow for two 125 minutes sessions

Each team will be entitled to 37 overs. At the completion of 37 overs bowled to the team batting first, a 20 minute tea adjournment will be taken. The team batting second will start their innings immediately after the tea break

In the event of the team batting first declares or is dismissed after 2.35pm and prior to receiving 37 overs, the bowling team shall have the option of batting (after 10 minutes changeover) until the tea break at 3.05pm. If the bowling team do not take the option of batting, the tea break will be taken immediately. The team batting second will then have an additional 37 overs to bat
