T Howard was found to not have a case to answer for. The P&D gave him a verbal warning that, as Club Captain, he should not be putting himself into an environment where he could be perceived to be doing the wrong thing. M Gray, who was not present but provided a statement read by M Baeli (Club President) was found guilty of a Level 3 offence. The P&D felt that given this was the 2nd incident of poor spectator behaviour this season from Jandakot Park, a penalty of 18 playing dates be given to M Gray. Given he was not playing in this fixture, it was deemed that this suspension commence from Round 1 of the 2025/26 season. JPCC have been fined \$500.00 as part of the Level 3 offence. This was kept to the minimum because of the notable efforts made by T Burke (Jandakot 6th Grade Captain) to diffuse the situation. Jandakot were also warned that any more incidents involving poor behaviour would incur the maximum fine of \$2,000
