PENALTY

Report:	The SMCA Cricket Club has received an official complaint from the Jandakot Park Cricket Club that a Willetton Crows player named as "D Fisher from Willetton from start of Jandakot's innings was relentlessly abusing T Hales.
Tribunal notes:	Present T Howard - JPCC T Hales - JPCC L Fisher - Willetton D Fisher - Willetton The P&D heard from both parties and read statements from the umpires. The evidence from both clubs was poles apart and D Fisher denied saying anything untoward. The P&D members we extremely disappointed that the umpires did not take control and stop the behaviour when requested to by T Hales.
Penalty:	Due to the fact that the umpires failed to curb the behaviour and in essence accepting it the P&D found that D Fisher was guilty of a Level 1 offence and given a 4 playing date suspension (4 of which are pending/ suspended). The P&D gave him a verbal warning that his comments can have consequences and to be mindful of what is said when on a cricket field.
