AGENDA ITEMS and NOTICES OF MOTION

From SMCA Executive

(1) Add to the By-Laws

The pitch must have no surface repairs carried out in areas where a ball is likely to pitch (between popping creases), as it could cause a dangerous bounce and create a tripping hazard.

Paraphrased from the document Artificial Grass for Sport Guide, which is part of the National Club Risk Protection Program (used by JLT - who insure both local councils and cricket associations)

In practice, this will mean that there shouldn't be any 'patches' where a ball can pitch while being bowled, or where a player can potentially trip or fall

(2) Add to the By-Laws

The grass outfield and the artificial pitch surface must be maintained in such a way that they meet flush along all edges, including the bowler's run-ups. The grass may need to be bevelled or shaped.

Three reasons for this: Safety of the players - slips, trips and falls; Allows for the pitch to dry better; Improves value for shot

From Maddington

All one-day grades should finish on the 17th of December like the two-day grades sides. Move the bye to another date or add 1 more game to the 1 day fixtures for the 17th December so the grade plays 19 games instead of 18.

CLOSURE:

NEXT MEETING: Monday 22nd August – 6pm Executive Meeting.

Graham Santich

PRESIDENT'S REPORT 2015-16

I am pleased to present my fourth President's report for SMCA after the completion of another successful 2015/16 season.

Congratulations to Cockburn Cricket Club who won the Cricket and Football Shop First grade premiership for the first time since 2000 defeating arch rivals CBC in a good spirited final at Karoonda Reserve. It must have been a huge relief and joy after overcoming a close finishing loss against Kardinya in the previous year. Certainly the man of the match, skipper Chris Kercheval was a worthy winner in scoring 91 runs

Cockburn enjoyed more success on the day when their 3rd and 6th grade also took out premiership honours, which supplemented the 3 mid season one-day flags achieved on their way

In second grade it was pleasing to see Kelmscott compete in the grand final after having to withdraw their team last season. Although beaten by a much improved Thornlie side it is good to see the Kelmscott players restore some faith in their club

In a similar vein to the last few seasons, the 12 premierships on offer were shared between 10 clubs with only Cockburn (3) winning more than one. CBC again enjoyed a very successful year winning the Brian Waterer Shield for the third consecutive year

Congratulations to Bicton Attadale Cricket Club on their promotion to First grade for 2016/17. Bicton will replace Maddington which had pipped Bicton on the post last year for promotion. It is a great achievement for Bicton who had only joined the Association in 2009. Good luck with your entry into first grade next year

The First grade mid season one day final was an exciting contest after CBC scored 139 and was able to hold off Kardinya to win by a solitary run. CBC also won the 5th grade with Kwinana successful in 2nd grade while Cockburn bagged 3 premierships in 3rd, 4th and 6th grades

After winning the Cricket West Cup for the past two seasons we came up a little short this season due to in part player unavailability. The Colts, ably managed by Mark Holt also could not get their best players on the ground lost some close early games. However the Vets captained by Will Badger lost narrowly to Perth Cricket Association in a low scoring nail biting final

I thank Dave Thomason for selecting the senior team and Mark Holt who volunteered to manage the Colts. Thanks also to Graeme Ashley who was always there to provide the uniforms, drinks and do the scoring. Next season the Executive has decided to not field a Colts team in this competition, choosing instead to concentrate on fielding a good seniors team

The efforts by all players who participated in Inter Association cricket are well appreciated

I wish to thank my fellow Executive members including the Administrator, Gary Hartman and Treasurer, Graeme Ashley for their outstanding contributions throughout the season. The fixturing has been a one-man task with Gary almost single-handed completing the fixtures in a very timely and professional manner. Thanks also to Scott Knight who is our representative on the South West Metropolitan Community Cricket Board. Thanks are also extended to Ian Hale, John Griffin, Paul Speering and Ray Howe who complement the Executive

I also extend my best wishes to our Senior Vice President, John Griffin who recently spent some time in hospital recovering from an operation. John ably deputised for me during my absences through work commitments

The Association fielded a record 106 teams in 12 different grades. However the mix of 48 two day teams and 58 one day sides is disappointing with a majority of clubs nominating more one day teams than the longer form of the game. We need to provide young players in this Association the opportunity to bat and bowl for longer periods to improve their skills and unfortunately the 40 over game does not provide this

This coming season we are introducing a two day format but only comprising 65 overs instead of the usual 75. Hopefully this may suit our elder (more mature) players to be able to participate in the longer form so the younger players can follow. I sincerely urge clubs to nominate teams in this format rather than opting for the one day competition

This year we introduced a new concept called Formula 15, which essentially is a T20, game over 15 overs with 8 overs bowled consecutively from one end and 7 from the other. Kardinya were the inaugural premiers of this competition which attracted 8 teams

The highest individual award this year went to Daniel Bandy in taking out the Jim McKenna medal. Daniel, who captained CBC had a very successful year and is a worthy winner

The Protests & Disputes Tribunal was again chaired by Ronald McDonald this season and fortunately only had to oversee a few cases of indiscretions by players. I believe player behaviour is on the improve which makes the game more pleasurable for all concerned

The Umpires Association led by the President, Glen Nivison and Advisor Ray Howe have done their best to field as many umpires as possible for all games. Numbers have increased this season where in one round we had two umpires in second grade. However we still want to increase numbers so those interested please contact Ray Howe

After the close of the season, a General Meeting of all clubs was again held to review the year just completed. Several ideas were discussed which have since been adopted for the coming season

One of the major changes was the interpretation of any ball bowled down leg side in a one day game would be called a wide:

In conclusion I trust all clubs and umpires have a very successful 2016/17 season.

Gary Hartman

ADMINISTRATOR'S REPORT 2015-16

As always I thank the clubs and the umpires association for their support over the past 12 months.

Most Office Bearer forms have been received. Team and Ground Nominations are due, using the on-line form, by 5pm 16th September.

Given that it appeared that nobody ever read publications provided for the Captains and Club Committees they were not produced this past season. However they will be produced for the coming season and should be a valuable source of information especially given there are some By-Law changes this season that Committees and Captains will need to be aware of.

Many thanks also to the Executive for their work and support. Congratulations to the successful Clubs in the past season.

I wish all Clubs well for the coming season.

Ray Howe

UMPIRES REPORT 2015-16

I was able to recruit a number of new umpires during the season. Forty five umpires officiated at various times throughout the season with numbers closing at 36. This was an improvement from the previous season and required me to allocated substantial time towards training and development.

Law changes to the one day rules for short pitched bowling were implemented without issue.

Some clubs including two first grade clubs still do not submit accurate or meaningful Captain Reports on Umpires. The clubs administration submits reports only to avoid being fined. Again I request that clubs address this issue as I use these reports to make final appointments, assist umpire development and identify areas for training purposes.

I look forward to working with all clubs next season.
