CARRIED

MATTERS ARISING: Nil

ADMINISTRATOR'S REPORT:

Cockburn and Bicton-Attadale have extra sides added to ODE, now 10 teams in grade. This will result in fixture changes which are currently being completed.

F15 Fixtures have been completed, season commences on 1st December. F15 rules have been sent out. Important to note that once a result has been achieved the match is over. MyCricket access has been given to the F15 clubs.

Some clubs still slow with results, player scores and reports on umpires.

Gary advised he will be away from 17th January to 17th February. However, it will be business as usual.

TREASURER'S REPORT:

Graham had distributed the Treasurers Report.

UMPIRE'S ADVISOR:

All good.

CRICKET WEST:

Mixed result with a need to discuss future direction of this competition. Some felt the matches started too early in the season.

CONSTITUTION and BY LAWS:

F15 rules have been distributed.

GRADINGS and FIXTURES:

Gary advised that 10 team fixtures in the one-day grades were much more difficult to complete than the 8 team grades.

PROTESTS and DISPUTES:

In Second Grade Round 2 Kelmscott v Willetton no play was possible on either week. Gary advised that he had penalised Kelmscott ODB for playing a player who had already been named on the Round 2 Second Grade team list. Gary sought the opinion of the committee on whether the Kelmscott Second Grade team should also be penalised. It was agreed that no penalty should be applied.

GENERAL BUSINESS:

There was concern regarding the fact that some players are playing with shoes that could not be described as predominately white. This matter is to be discussed further at the end of season meeting.

Paul brought up the insurance issue should matches go ahead on pitches that had been patched and did not have a smooth transition from grass to pitch. This matter is also to be discussed further.

NEXT MEETING:

Executive Meeting – Date To Be Decided.

MEETING CLOSED:

As there being no further business the meeting closed at 6:40pm.
