## **MATTERS ARISING:**

The thank you voucher to Terry Garner has not been attended to, Gary Hartman to arrange voucher and pass on apology for oversight.

## **PRESIDENT'S REPORT: Rob Sims**

Before even a ball was bowled, the season that promised to be such an important one for our association was turned on its head when SJ Blues withdrew their first grade team from the competition leaving the Executive in the unenviable position of trying to find a solution to having a bye in 1st grade and get a team from second grade to replace them.

Because of the late notice this could not be achieved even though we offered inducements to several clubs. The outcome of course was that we had to have a bye in the competition at a time when clubs were going to be fighting harder for first grade survival with the competition being reduced to eight teams in season 2010/11. The withdrawal of the SJ Blues team had a considerable impact on the competition and quite rightly some clubs wanted the penalty imposed on the club to reflect their anger and annoyance at the late timing of the team withdrawal as they had been given an opportunity some four to six weeks before when rumours had surfaced on the club not fielding a 1st grade side.

From the position we were put in as an Executive we believe that we were acting in the best interests of all parties when we made the decision to allow SJ Blues to drop out of 1st grade but in hindsight it may have been better not to accept the withdrawal of the team. Our other options were to reject the application of the club to be a part of the SMCA which would mean the removal of the club from the competition or place penalties on the club at a later stage that the executive thought would be suitable.

In essence it may have been better to place the competition above any individual club interest and in future this will probably more likely be the case.

We also saw the emergence of a new club in Bicton Attadale Cricket Club which were accommodated in the competition about six weeks after the season started and which then gave us full spots in all grades except first grade. In total 95 teams participated in the SMCA last year. Being an ashes year this year we expect that the competition could possibly have in excess of 100 teams for the first time ever.

Congratulations to all the premiership winners from last season with CBC winning a gripping grand final over Leeming in the 1st grade. The move to a standalone grand final for 1st grade some five years ago has been a major success for the competition and the spirit in which the games have been played is a testament to the spectacle it has become.

Congratulations must also go to the winners of the other grand finals

2nd Grade SJ Blues

3rd grade    Cockburn  
4th Grade    Phoenix  
5th Grade    CBC  
6th grade    Kardinya  
7th grade    Armadale  
ODA        Thornlie  
ODB        East Fremantle  
ODC        Thornlie  
ODD        SJ Blues  
ODE        Kelmscott

In all 8 different clubs took home flags from the regular season competition.

Congratulations must also go to the winners of the One Day Competitions

2nd Grade    Kwinana  
3rd Grade    Armadale  
4th Grade    Southern Districts  
5th Grade    CBC  
6th grade    Kardinya  
7th Grade    Kenwick

CBC 5th grade and Kardinya 6th grade backed up their regular season premiership success with premierships in their one day grades. Well done to both these clubs on their success.

We also had our association T/20 competition which was fought out between Riverton Rostrata and CBC at Davilak reserve. Riverton finally got over the line for victory. Well done to them.

Our association sides performed reasonably poorly this year with Rich Oliver being the stand out player in the colts and finishing as the player of the competition for Cricket West.

A big thank you again to the Canning Districts club for organising the game day arrangements and also to Ian Hale although he had retired from the executive at this stage was on hand to lend whatever assistance he could.

Congratulation must also be passed on to the Cockburn Cricket Club, on winning the Champion Club award. An award in reality which has held little significance for the winning club in the past but we intend to change that this year and will offer a monetary prize in the future and present the award at our wind up which will make the award a much sought after award amongst our association teams.

I must also take the time to thank John Ipsen, the Leeming Cricket club and all the volunteers who worked so wonderfully well to put on the best association wind up we have ever had and on what turned out to be the night of the worst storms in WA history. To John and Leeming Spartans, thank you from us all.

Unfortunately I now get to an area of major concern for the association and that is player, official and spectator, conduct and behaviour.

In the last few years we have seen an increase in what can only be described as a move to more confrontational types of incidents. We witnessed the disgraceful conduct of association club members at the T/20 final held at Davilak Reserve with unseemly conduct exhibited by a number of individuals and groups representing a number of clubs. It is the intention of the executive to stamp out this type of behaviour with harsher penalties. The penalties will be greater both financially and in terms of player suspensions handed down to offenders and in particular repeat offenders. Clubs that are deemed to place frivolous reports before the P&D will also be penalised.

Every person who plays, administers or watches cricket in SMCA fixtures will be the responsibility of the club they are aligned with or too. Incidents as we have seen in the past

couple of seasons will not be tolerated nor should they be accepted by the clubs and it is the responsibility to self regulate before the SMCA regulates for you.

Ultimately we all give up time to play, watch or administer this great game of cricket.

We all have a right to enjoy it.

It was moved Cockburn and seconded Leeming Spartan that the report be accepted.

**CARRIED**

**ADMINISTRATOR – Gary Hartman:**

Thank you for the opportunity to report to the SMCA in my role as Administrator.

The past season has seen some changes to permits which seemed to work a lot better and with less inconsistency. Player reports are now submitted on-line and in the future club committee and ground and team submissions will also be submitted using an on-line form.

Creating fixtures continues to be a time consuming and difficult exercise which may be a little easier this season with the 8 team First Grade.

Most clubs adjusted to the new player qualifications for finals which seemed to work well.

Fines were up, mainly thanks to one club who went many weeks not submitting match reports and subsequently losing points as well.

The company who has created the premiership pennants for many years will no longer be doing them so there is likely to be a minor change as we change companies.

I would like to take this opportunity to thanks the Clubs and the SMCA Executive for their support and wish you all well for the coming season.

It was moved Willetton and seconded Hilton Palmyra that the report be accepted.

**CARRIED**

**UMPIRE'S ADVISOR REPORT – Terry Kift:**

The 2008/9 season finished with 25 umpires and we were hopeful that this number could be increased in 2009/10. With that in mind we advertised on 91.3, SMCA website and with posters. The numbers grew throughout the year to a season high of 36. Unfortunately owing to illness, work, and returning to play cricket the season finished with 29. We hope to improve on this number in the coming season. I would like to thank the executive for their assistance during the season and also the clubs for their rapport with the umpires. I would also like to thank the SSMCA umpires association for their support. Finally congratulations to all clubs that won premierships in 2009/10.

It was moved Riverton Rostrata and seconded Forrestdale that the report be accepted.

The Code of Conduct applies to all registered players, officials, office bearers, club members or supporters, member clubs including SMCA Umpires association. 1. Report by an SMCA appointed (official umpire) or a team captain in the event that the match does not have an SMCA appointed official umpire. A report from a club captain must be counter signed by a club official as confirmation that the club supports the captain's decision to make the report. All reports must be lodged within the specified time frame and by the method as outlined in bylaw 63a (iii)
2. Any report received by the SMCA Administrator will be referred for investigation and hearing by the P&D provided it meets the criteria as outlined above.

3. Member clubs who breach the code of conduct will be subject to fines and penalties including penalties towards the Champion Club award if found guilty of any offence.

If a player, official, spectator or club is found guilty of a breach or breaches of the code, penalties as outlined in bylaw 65b will be applied by the P&D. Should the First grade competition remain as an Eight team competition in the 2011/2012 season then the eight teams in First grade remain the same as the 2010/2011 season.

Item was seconded by Hilton Palmyra.

Both Willetton and Maddington spoke against the Motion.

The motion was put and **Lost**.

**AGM Item 30 - from Maddington.**

*Towards the end of the 2009-2010 season, we noticed that some clubs were dropping players from a higher grade in an attempt to help the lower grade side qualify for the finals. To stop this 'stacking' of sides, we propose that the following clause be inserted in By-Law 11:*

11 (e) During the last two (2) qualifying matches, a team shall not contain any player, whose regular grade immediately prior to the second last game, was in a higher grade to that team, notwithstanding By-Law 10. Regular grade is defined as the grade/s in which a player has played 50% or more of their total SMCA games for that Club in the current season, where the player has played a total of four (4) or more games.

There was no seconder and the item lapsed.

**AGM Item 31 - from John Ipsen, Leeming Spartan.**

I would like the SMCA Executive to consider the following points when finalising rules for the SMCA First Grade competition this season (2010 / 2011). The rules are pretty much extracted from the WACA playing conditions.

I believe these rules would definitely bring a lot more excitement and enjoyment to our game and make for interesting bowling / batting line ups when clubs select their one day sides etc. It would allow batsmen and bowlers to play and bat / bowl at different parts of the game and it would also allow players to come up the grades when they may not have otherwise played 1st grade cricket. In other words, clubs could pick a "purpose" one day side etc.

I would also like to see coloured clothing (SMCA approved) for the 1st Grade one day competition.

Rules that could be introduced for 1st Grade One Day Cricket in the SMCA (based on 40 over innings games).

1. BOWLERS LIMITATIONS (Rule 4:5:2 WACA Playing Conditions)
  - No bowler allowed more than 8 x 6 ball over's.
2. FIELD MARKING RESTRICTIONS (4:5:4)
  - A 30 Yard circle needs to be drawn and at the instant of delivery there should be no more than 5 fieldsmen on the "on side".
  - First 12 over's only 2 fieldsmen are permitted outside the circle at the instant of delivery.
  - First 12 over's there must be 2 catchers within 14 meters of the striker.

- In the remaining 28 over's only 5 fieldsmen are permitted outside the circle.
- 3. WIDES (4:5:5)
  - Down leg side uncontactable.
  - Off side reasonable opportunity to score.
- 4. NO BALL (4:5:6)
  - 1 x short pitched delivery per batsman per over.
- 5. FREE HIT (4:5:12)
  - Any front foot or waste high "no ball" will result in a "free hit" to the batsman for the next ball. Fielders to remain in same fielding position as per previous (no ball) bowled.

There was no seconder and the item lapsed.

At this time the meeting returned to Item 3.

### **AGM Item 3 - from SMCA Executive.**

11 (b) (ii) During the period of the season where grades, other than first grade, are involved in two days matches, players from these grades may only move to the One-Day only Grades provided the following criteria are met :-

*Issue of 2nd to 6th Grade fixed*

After further discussion it was moved Riverton Rostrata and seconded Armadale that the following amendment be made to the motion – the words "and second" be added after the words "other than first".

The amendment was put and **CARRIED**.

This motion now reads:

11 (b) (ii) During the period of the season where grades, other than first and second grade, are involved in two days matches, players from these grades may only move to the One-Day only Grades provided the following criteria are met :-

The motion was put and **CARRIED**.

### **GENERAL BUSINESS:**

There was discussion on correspondence received from the Umpires Association regarding an increase in fees to \$110 per day.

Steve Michael advised that Cricket West have agreed that there be no increase this season.

Hilton Palmyra asked what other Association were paying. Some Associations pay more but for more overs umpired. Cricket West is attempting to create a parity between all Associations.

Cricket West believes that Umpires should receive an incentive to participate in umpiring courses.

Armadale spoke on maintaining the parity between Associations.

Kenwick spoke on an incentive for umpires to perform at a higher level, currently a lower grade umpires receives the same as a higher grade umpire.

Given that there was no motion before the meeting Sean Leighton (Umpires Association) moved the following motion:

That the Umpires pay rate be raised to \$110 a day. As there was no seconder the motion lapsed.

After further discussion Rob Sims moved the following motion:

Any Umpires who have passed the Level 2 Course to be paid an extra \$10 a day and this to be paid by the SMCA.

Seconded by Armadale and **CARRIED.**

The Umpires Association to advise the Administrator of those Umpires who have passed the level 2 course and any extra payment to be made prior to Christmas and the end of the season.

Riverton Rostrata queried if there would be an Association Twenty20 competition. This is planned but need to be after Christmas due to other commitments pre Christmas.
